ONE PASS. ONE PRICE. UNLIMITED CLASSES!

Starting July 1, 2017

Is the Flex Pass really valid for unlimited classes?

Yes! ONE PASS. ONE PRICE. UNLIMITED CLASSES.

What classes are included in the price?

Members and Students-All classes on the Group Fitness schedule are included.

Why is there a difference in pricing between member and student flex passes?

One reason for the difference in price structure is that yoga classes have been funded for students through the yoga fund, therefore are being offered at no charge and are not included in the student Flex Pass pricing.

How do I purchase my Flex Pass?

Purchase on-line or Dillon Gym lobby. Go to: campusrec.princeton.edu

How do I pick up my Flex Pass?

Go to the Dillon front desk with your PUID. The front desk will place your Group Fitness Flex Pass sticker on your PUID.

How do I purchase a one-time class pass?

One-time passes can be purchased at the Dillon front desk the same day as the class you wish you attend.

How do I get into class?

Bring your PUID to every class for entry or bring your receipt from your one time class pass.

What if I lose my PUID?

Once you get your new ID, please go to the Campus Rec business office M-F, 9am-4:45pm at 103 Dillon Gym. You will be assigned a new sticker.

What if my sticker is ripped or faded?

Bring your PU ID to the Campus Rec business office M-F, 9am-4:45pm at 103 Dillon Gym.

Will there still be a punch card option?

No, but you can purchase a one-time class pass or half pass if a flex pass does not work for you.

Can I share my Flex Pass or return a Flex Pass?

No, flex passes are non refundable and non transferrable.
