

ROBERTS STADIUM – PLUMMER FIELD

GPS COORDINATES: 40.342382, -74.653741

ACCESS: By reservation through Sport Club office and Manager of Intercollegiate Programming. Sport Clubs must be supervised by Sport Club Staff at all times when using Plummer Field

VENUE DIRECTIONS: To access Roberts Stadium, take Elm Drive. At the traffic circle take the first right onto South Drive. Roberts Stadium is located on the left.

MAP:

VENUE ENTRANCE: There are two emergency access points to Roberts Stadium.

For emergencies **on Myslik Field (grass)**, field level access is at the south west corner of the stadium. Once on South Drive, use second access road on the left to arrive at gate at south west corner of field.

For emergencies **on Plummer Field (turf)**, access is through the gate at the east side of the Stadium. Once on South Drive, use the third access road on the left hand side which will lead you to the gate on the east side of the Stadium. Public Safety will provide access to gate for EMS

EMERGENCY PERSONNEL: Sport Club CPR/First Aid/AED certified members may be on site to provide care. Contact Public Safety EMT and Public Safety Officers for assistance with any emergencies **(609)-258-3333**.

EMERGENCY COMMUNICATION: Sport Club leadership and CPR/First Aid certified members, as well as athletics staff may carry a cell phone for emergency use. As a backup, blue light phones are located north of Plummer Field on the walkway between the soccer facility and in the parking lot to the south east of Plummer Field.

EMERGENCY EQUIPMENT: Sport Club staff will provide first aid kit while staffing Plummer Field events. At all times an AED is available by contacting Public Safety.

ROLE OF FIRST RESPONDERS:

1. Ensure scene is safe
2. Provide immediate care to injured athlete
3. Designate an individual to contact Public Safety at **609-258-3333** (using cell phone)
 - If cell phone is not available, caller can dial 911 from an on-campus phone or a blue light phone
 - Caller will provide the following information:
 - *Name, address, telephone number of the caller*
 - *Number of individuals injured*
 - *Condition of injured individual(s)*
 - *First aid treatment initiated by first responder*
 - *Specific directions (see below) to the facility and the injured person*
 - *Other information as requested by dispatcher*
 - *Do not hang up until instructed to by dispatcher*
 - Public Safety will contact EMS
4. Retrieve emergency equipment
5. Assist EMS to scene
 - Designate an individual to meet ambulance at access points indicated on map above.
6. Crowd control
 - Designate an individual to move the uninjured away from the scene
7. Follow up
 - Follow post-incident procedures

STORM SAFETY LOCATION:

- **Participant/staff:** Nearest building to use as a shelter is the Neuroscience building, or Ichan Lab.
- **Spectator:** Spectators should find shelter in their vehicles.
