

PRINCETON STADIUM

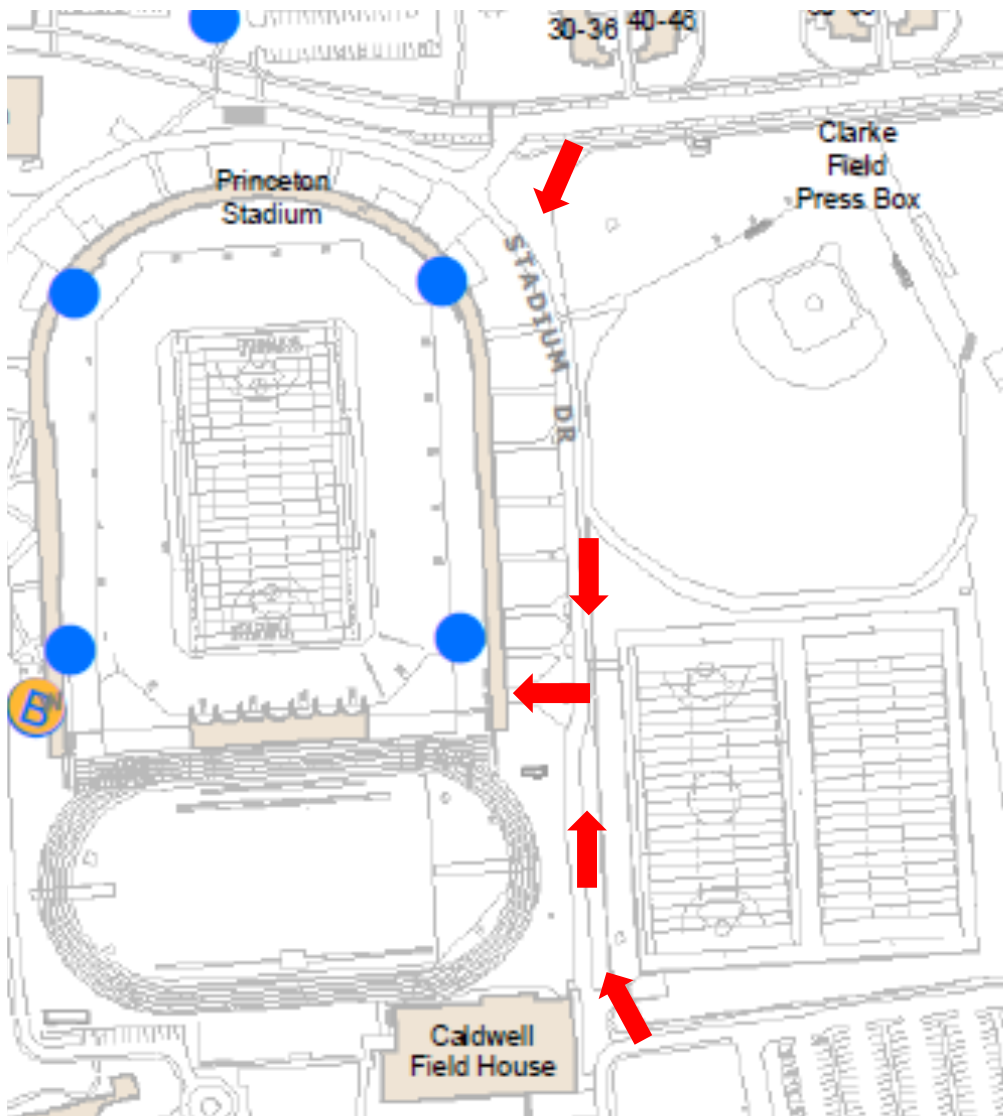

POWERS FIELD

GPS COORDINATES: 40.345923, -74.649965

ACCESS: By reservation through Sport Club office and Manager of Intercollegiate Programming. East visitor tunnel at south east corner of stadium via Stadium Drive.

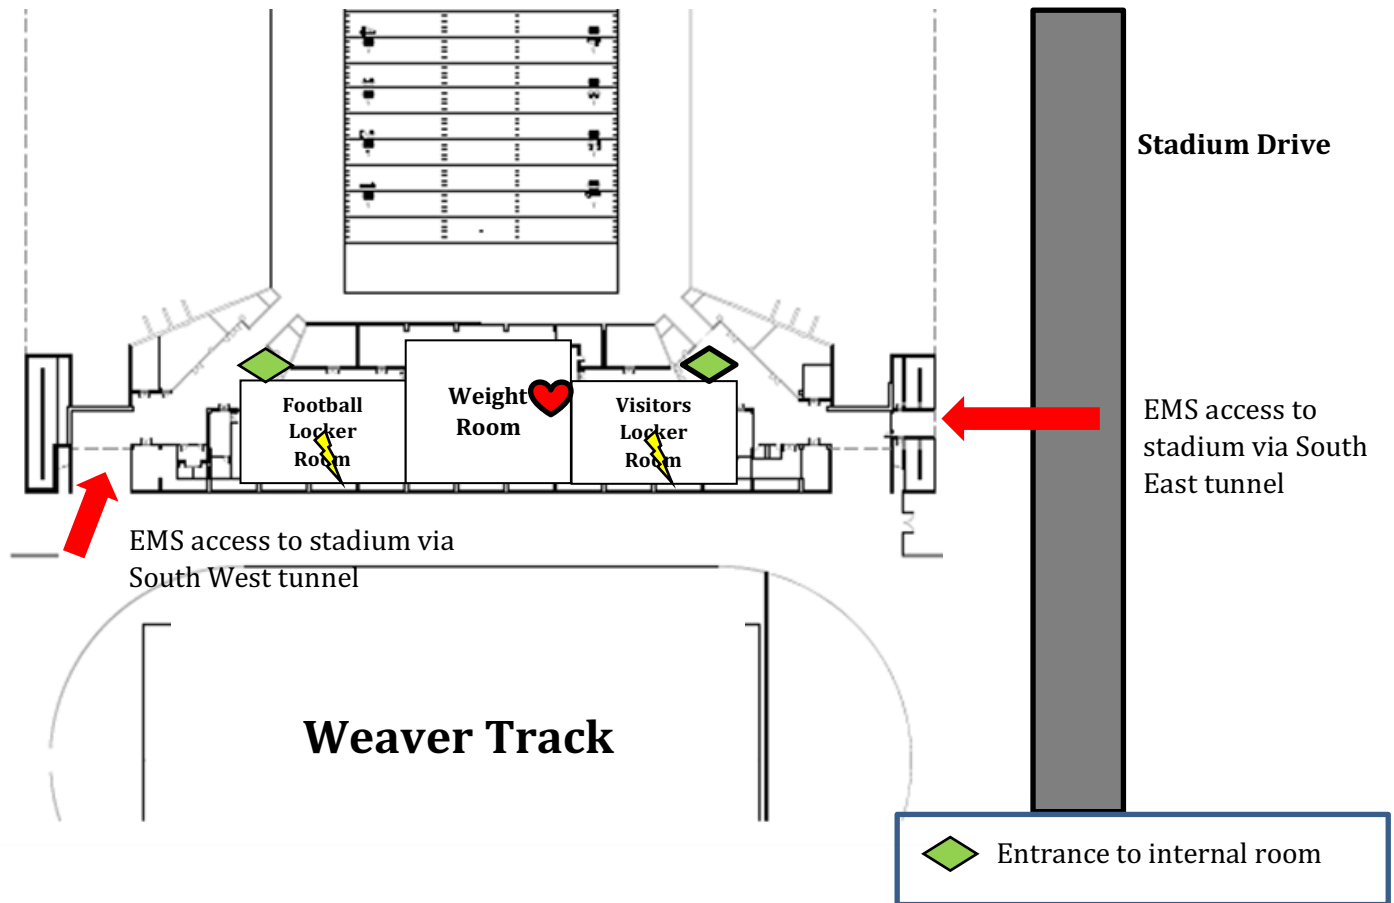

VENUE DIRECTIONS: The Stadium is located on Stadium Drive, which runs from the Caldwell Circle to Western Way/Ivy Lane.

MAP:

VENUE ENTRANCE:

For emergencies occurring **on Powers Field**, EMS should enter through the south east tunnel and proceed directly on to Powers Field.

EMERGENCY PERSONNEL: Sport Club CPR/First Aid/AED certified members may be on site to provide care. Contact Public Safety EMT and Public Safety Officers for assistance with any emergencies **(609)-258-3333**.

EMERGENCY COMMUNICATION: Sport Club leadership and CPR/First Aid certified members, as well as athletics staff may carry a cell phone for emergency use. As a backup blue light phones are located at each corner of Princeton Stadium at concourse level.

EMERGENCY EQUIPMENT: Sport Club teams may have access to a first aid kit. The closest permanent AED is located next to the elevator in the Southeast corner of Jadwin Lobby. An AED may be available in the Football Weight Room, however it is only accessible to Sport Clubs when the weight room is open and staffed by Athletics Staff.

ROLE OF FIRST RESPONDERS:

- Ensure scene is safe
- Provide immediate care to injured athlete
- Designate an individual to contact Public Safety at **609-258-3333** (using cell phone)
 - If cell phone is not available, caller can dial 911 from an on-campus phone or a blue light phone
 - Caller will provide the following information:
 - *Name, address, telephone number of the caller*
 - *Number of individuals injured*

- Condition of injured individual(s)
- First aid treatment initiated by first responder
- Specific directions (see below) to the facility and the injured person
- Other information as requested by dispatcher
- Do not hang up until instructed to by dispatcher
- Public Safety will contact EMS
- Retrieve emergency equipment
- Assist EMS to scene
 - Designate an individual to meet ambulance at entrance to South East tunnel off of Ivy Ln Access Road.
- Crowd control
 - Designate an individual to move the uninjured away from the scene
- Follow up
 - Follow post-incident procedures (pg.53)

STORM SAFETY LOCATION:

Participant/Staff: Denunzio Pool stands or Jadwin Lobby

Spectator: Spectators should find shelter in their vehicles.

LAST REVISED: 3/2017

PLANNED REVIEW: 3/2018
